ABOUT US

We, Prabhat Paints are a value-added organization involved in manufacturing of large array of paints and related products for export, wholesale/distribution and OEM supply. We are a premier company established in 1984 to supply wide gamut of products for industrial and decorative sector.

Our products are cherished by our clients owing to their perfect composition, purity and supreme quality. Also, we ensure our products are made with superior grade materials to maintain their superiority.

We have a total quality assurance for our products, strictly tested on the ground of standard parameters. These products are tested before getting delivered at the end of our customers. Over the years we have been building a strong distribution network all over India. We are associated with reputed vendors from whom we procure our raw materials. Our strength is our team, which is a pool of knowledgeable professionals. They have years of experience in the industry and relevant to our business arena. We have a coordinated working frame that helps to create a streamline business process. With our tireless efforts of our mentor Mr. Kirit Vadia, we have earned a reputed position in the market.
